De-escalation Practitioner Course

This 8-hour user version of this course focuses on a real-world approach to communicating tactfully, which will allow you to have a baseline that will reduce liability, promote a professional image, build a rapport, and even save lives. This training is a hands on scenario based course that gets you involved in classroom participation that will provide results. This course delivers to you the necessary skills of persuasion that can be used immediately in the community. The course is a necessity for any law enforcement officer looking to expand on the ever changing expectations of communication, and the strategies from this course will provide you with an effective blueprint to solve potentially unreceptive situations before they erupt. Our primary instructor for this program is a state recognized subject matter expert in de-escalation, and current law enforcement officer.

Five-star officer rated course!
