BLUE SHIELD TACTICAL SYSTEMS

"Are your officers ready for the unpredictable? Our 40-hour Defensive Tactics Training Program is purpose-built for law enforcement professionals, by law enforcement professionals. Here's what sets it apart:

Practical, Street-Tested Techniques:

- Takedowns and Control Holds: Master the art of physical control.
- Handcuffing Techniques: Safely restrain suspects.
- Striking and Weapon Disarmament: Real-world scenarios demand versatile skills.
- Ground Control and Submission Locks: Close-quarters encounters, solved.

Modern and Effective:

- No Outdated Wrist Locks: We skip the impractical stuff.
- Accessible Complexity: Officers won't scratch their heads –just practical solutions.

Mindset Matters:

- De-escalation Considerations: It starts in the mind.
- Body Language and Awareness: Read the situation.
- Weapon Locations: Know where danger hides.

Certification and Recertification:

- Two-Year Certification: Demonstrated competence.
- Reduced-Cost Re-certification: Stay sharp.
- Demonstrated Knowledge: Lives saved in the field.

Quality Reputation:

- Industry Recognition: Representing excellence.
- High-Quality Training: Officers won't be disappointed.

Limited Space, Maximum Impact:

- Seats Fill Up Fast: Act now.

Join us for a program that bridges theory and practice, preparing officers for the complexities they'll face. Let's keep our communities safe, one well-trained officer at a time!
