De-escalation Practitioner \$150

This is our user version of our De-escalation Instructor course, which was designed for the employee dealing with chaotic issues faced by public servants. This course is not just a law enforcement course, but rather a course that would benefit anyone working with members of the community. This course provides a real-world approach to communicating tactfully, which will allow you to reduce liability, promote a professional image, build a rapport, and even save lives. This training is a hands on course that gets you involved in classroom participation that will provide results.
