

### De-escalation Instructor Course

This course focuses on a real-world approach to communicating tactfully, which will allow you as an instructor to provide a baseline for your officers that will reduce liability, promote a professional image, build a rapport, and even save lives. This training is a hands on scenario based course that gets you as the instructor involved in classroom participation that will provide results. This instructor course delivers to you the necessary skills of persuasion that you can demonstrate to your officers. The course is a necessity for any law enforcement agency looking to expand on the ever changing expectations of communication. The strategies from this course will provide you with an effective blueprint to solve potentially unreceptive situations before they erupt. These are techniques every officer should have as a resource.
