\$275

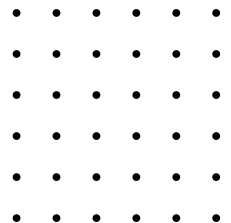

SELF DEFENSE KNIFE INSTRUCTOR TRAINING COURSE FOR LAW ENFORCEMENT SECURITY AND MILITARY PERSONNEL DESIGNED FOR SURVIVING A KNIFE ATTACK. THE THREAT OF A KNIFE ATTACK IS A SERIOUS ENCOUNTER FOR ANY MEMBER OF LAW ENFORCEMENT WITH POTENTIALLY DEADLY CONSEQUENCES FOR THE OFFICER. THERE ARE MANY KNIFE DEFENSE COURSES AVAILABLE THAT DON'T FOCUS ON THE REALITY OF AN ATTACK. THE ATTACK IS NORMALLY UNEXPECTED AND WITHIN A SHORT DISTANCE OF THE OFFICER WHICH DOESN'T ALWAYS ALLOW FOR IMMEDIATE ACCESS TO A FIREARM. THE IMPORTANCE OF KNOWING HOW TO DEFEND YOURSELF FROM AN EDGED WEAPON ATTACK IS OF UTMOST IMPORTANCE. THE TECHNIQUES IN THIS COURSE ARE PRACTICAL AND REALISTIC FOR ATTACKS THAT OFFICERS HAVE EXPERIENCED IN THE FIELD.
