

Civilian Active Shooter Response Instructor Course

\$250

8 hours

The objective of this active shooter training course is to certify instructors in civilian active shooter response. This course will cover situational awareness, mental preparedness, history of active shooter events, psychological and physiological effects of a violent encounter, training mistakes, proper training defined, active shooter statistics/history, U.S. Dept. of Education and Homeland Security federal guidelines, fundamentals of blood control, and a comprehensive breakdown on the current federal guidelines of Run, Hide, Fight. The training will also involve interactive demonstrations, scenario-based training drills, and the student will be required to instruct during a portion of the training.
