GROUND CONTROL INSTRUCTOR LEVEL 2 \$375

As a law enforcement professional, you know that encounters can quickly shift to the ground. Our Ground Control Instructor Course equips you with essential grappling techniques tailored for real-world policing. Here's what makes this course invaluable:

Reality-Based Training:

- **Guaranteed Ground Encounters:** You'll find yourself there—it's inevitable.
- **Blueprint for Control:** When the fight hits the ground, you need effective strategies.
- **Exhausting Suspects for Handcuffing:** Practical techniques to maintain control.

Brazilian Jiu-Jitsu Meets Law Enforcement:

- **Body Weight and Compression:** Utilize your own strength effectively.
- **Taught by Veteran Police Officers:** Real-world experience, policy aware.
- **Award-Winning Teaching Methods:** Elevate your instruction game.

Accessible to All Officers:

- **No Martial Arts Background Required:** Simple yet powerful solutions.
- **Transferable Skills:** Equip your agency with practical tools.
- **Phone and Email Support:** Stay connected with expert guidance.

Essential Components:

- **Two-Year Certification:** A credential that matters.
- **Instructor Manual and T-Shirt:** Resources for effective teaching.
- **Free Courtroom Testimony:** We don't leave you at the door.

Proven Control Holds:

- **Brazilian Jiu-Jitsu Insights:** Adapted for law enforcement.
- **Understanding Use of Force:** We get it—because we've been there.

Secure your spot—mat space is limited, demand is high. Let's empower officers to control the ground!
