

Blue Shield Tactical Systems

POLICING IN MODERN DAYS: THE NEW NORMAL 8 HOURS \$199

BLUE SHIELD
TACTICAL SYSTEMS

The objective of this course is to assist law enforcement officers in understanding the changes that have occurred in law enforcement since we suffered through a global pandemic. This course will discuss aspects of the new normal for law enforcement as we evolve after protests, defunding the police, social media and media attacks on law enforcement, law enforcement reform, and numerous other topics.
