

Blue Shield Tactical Systems

Beyond Lockdown: Responding to School Violence for Teachers & Staff 4 hours \$125

The rationale behind creating this course was based on the need for teachers and staff to learn techniques that go beyond traditional lockdown, provide options, empower them to make confident decisions, and teach them what to expect from a law enforcement response. Call or email us about receiving a quote for your school.

McKinney, TX
February 5th, 2024
